  - Loss of taste or smell
  - New or unexplained persistent cough
  - Shortness of breath or difficulty breathing

- Minor Symptoms**
- Sore throat
  - Runny nose or congestion
  - Muscle or body aches
  - Headache
  - Fatigue
  - Nausea, vomiting
  - Diarrhea

Does this person have one or more of the COVID-19 symptoms listed above?

Yes

Can these symptoms be explained by a known chronic condition?

No

Yes

No

1. If they are not already wearing one, place a mask on the student or staff member if safe to do so.
  2. Assist the student to the Holding Room to wait for guardian. Make sure the student is still within adult line of sight.
- All staff assisting ill individuals should wear appropriate COVID19 PPE, perform frequent hand hygiene, and disinfect all environmental surfaces once the person leaves.**

1. Follow routine illness care.
2. Return to class if appropriate. Alert teacher to monitor the student with heightened awareness, or advise staff member to stay alert regarding symptoms.
3. Record visit in the usual manner.

1. Call parent to pick up student ASAP, or ask staff member to leave the building ASAP.
2. Instruct family to call the Call Center at **970-641-7660** for screening and further evaluation. It will then be determined if the student or staff member needs a COVID test.

**Remember:** Inform the Call Center of your affiliation with GWSD.

**If the person has any of the following symptoms, immediately call 911:**  
 Difficulty breathing, chest pain, new confusion, difficulty concentrating, bluish lips or face
